

No hidden costs. No worries.

\$12,500 flat fee

With HomeSell Pro, you pay a flat fee of \$12,500, with \$2,500 paid upfront and the rest is paid only once your property has sold. All you need to do is walk prospective buyers through your home* and our experienced licensed agents will take care of the rest.

Here's what you get

- Dedicated licensed agents and support team to handle buyer follow ups, negotiation and paperwork
- Property sale documents including market appraisal, title, LIM report, rental appraisal & sale agreements
- Regular feedback and progress updates throughout the campaign
- Peace of mind; Our licensed agents carry identical responsibilities & duties of care to that of any other real estate agent as defined under the Real Estate Act 2008

Includes premium marketing

- Professional photography, floor plan and copy writing of your listing description
- Trade Me Property PLATINUM listing
- Also listed on realestate.co.nz, oneroof, homes.co.nz, hougarden.com and homesell.co.nz
- Facebook marketing campaign (2000+ reach)
- Large street sign, 3 open home signs, printed brochures & viewing registers

*You host the viewings/open homes/inspections

Choose to add optional extras

- Auction (on site) - \$950 paid upfront
- 3D tour & aerial photos - \$600 paid upfront

“Just wanted to say a huge thank you for your help in selling our house. We thought you were extremely professional, friendly and a pleasure to deal with. We will be recommending your services to all of our friends and family. (This result) should quash any concerns from people who think that you need a traditional ‘local’ commission based agent to get the best price. Thanks again and we will be in touch for the next one.”
